Receives Bronze Honors in Most Innovative Company of the Year Category

American Tire Distributors (ATD) was recognized for its role as a leader in the automotive aftermarket industry as the company was named a Gold Stevie® Award winner in the Transportation Company of the Year category of the American Business Awards®. The company was also honored for its commitment to cutting-edge technology and innovation with a Bronze Stevie® Award for Most Innovative Company of the Year.

“Our associates are the foundation of who we are at ATD and these awards speak to the innovative thinking and commitment to excellence that they bring to the workplace,” said Stuart Schuette, President and CEO of ATD. “We’re thrilled to be recognized as a Gold and Bronze Stevie® Award winner as we continue to transform the industry and help our customers thrive and drive into the future.”

ATD has been on a five-year transformation to become the most connected and insightful automotive solutions provider in the industry. The company is achieving this vision through a best-in-class salesforce, innovative new digital solutions and the rapid digitization of its supply chain.

In 2019, ATD received its first Stevie® Award, earning bronze recognition for Sales and Customer Service. Earlier this year, the company was also recognized by Forbes as one of America's Best Mid-Sized Employers.

The American Business Awards are the U.S.A.'s premier business awards program. All organizations operating in the U.S.A. are eligible to submit nominations - public and private, for-profit and non-profit, large and small. More than 3,800 nominations - a record number - from organizations of all sizes and in virtually every industry were submitted this year for consideration in a wide range of categories, including Startup of the Year, Executive of the Year and Best New Product.
